To Whom It May Concern:

**Re: Walid Wahab
Wahab Construction, Inc.**

Dear Sir/Madam:

I have known Walid Wahab for over 15 years, both on a personal level and in his capacity as President of Wahab Construction Inc. In the time that I have known him, I have been consistently impressed by Mr. Wahab's strong character, industry intelligence, warm personality and continued loyalty.

It was this experience that prompted me to look to Mr. Wahab and his company when I leased the penthouse of the Miami Center in downtown Miami, and to entrust them with the 22,418 square foot build out the space. Mr. Wahab not only understood the original design of the premises, but worked meticulously and diligently with the architects to transform the floor into a true showcase space.

As my firm continued to grow and expand, I again brought in Mr. Wahab and his company to oversee renovations on two additional floors in the Miami Center. Honoring excellence, Mr. Wahab once again created pleasant and functional work environments on time and on budget.

Mr. Wahab's work is a reflection of his dedication and attention to detail, and his sensitivity in interpreting the feel, light, organization and overall look of a client's vision. He a trustworthy ally, committed to bringing clients beautiful and practical spaces and enjoys a shining reputation in both business and the community at large.

There aren't enough good things I can say about Walid Wahab and I request that he be given the highest consideration in any endeavor he should embark on.

Sincerely,

Ferrell Law, P.A.
