To Whom It May Concern:

It is with great confidence that I recommend Walid Wahab and his company Wahab Construction.

They successfully completed a significant project for us at The Setai in Miami Beach, that involved many challenges and rigorous timelines.

Throughout the project, Walid and his team displayed the utmost in professionalism, ethics and a tireless spirit to get the job done properly.

They are trustworthy, responsible and service oriented.

If you are looking for competitive and quality construction , Wahab Construction should be your choice.

Sincerely,
