Dear Walid,

On behalf of Raj and myself, thank you for your outstanding work as general contractor on our new apartment. As you know, we are thrilled with the outcome – the apartment is a dream come true, and we look forward to many wonderful times here with friends and family.

We particularly appreciated your attention to detail, your ability to be flexible within limits, your can do spirit, your adherence to a schedule, your capacity to smile and remain calm through difficult review sessions.

Your team is extremely talented and special too. From day one, it was a pleasure working with you, Brian, Jorge, and the rest of your amazingly skilled and dedicated artisans and supervisors. You are a group of consummate professionals, and the project could not have gone any more smoothly. Thank you for the great work.

Just know that we will endorse you without reservation to anyone who is looking to avail of the services of an outstanding general contractor.

Best wishes and thank you again,
